

# Jazzy® 1113 ATS

The Jazzy® 1113 ATS offers everything you need—all of the “big chair” options and accessories, even rehab capabilities—on the most compact frame available. You’ll take on tight spaces and narrow hallways without sacrificing a strong outdoor performance never before seen in a chair of this size. For sharp ramp transitions as well as a smooth and stable ride even over exceptionally rough and uneven terrain, the Jazzy 1113 ATS is equipped with Active-Trac® Suspension.
